📍 Sanand, Ahmedabad, Gujarat

SUMMARY

Detail-oriented developer focused on building scalable and efficient web applications. Strong problem-solving skills with a commitment to clean, maintainable code. Quick to adapt to new technologies and continuously improve development practices.

TECHNICAL SKILLS

Programming Language	JavaScript(ES6+), TypeScript, HTML, CSS
Frontend	Next.js, React.js, Tailwind CSS, Redux, Bootstrap
Backend	Node.js, Express.js
Database	MongoDB, Mongoose
Tools & Technologies	Git, GitHub, Vercel, Netlify, Postman, Socket.IO, Stripe, AI-assisted Dev Tools
Concepts	REST APIs, Authentication (JWT), CRUD Operations, Agile Development, System Design, State Management, Real-Time Communication, Payment Integration

INTERNSHIP EXPERIENCE

MERN Stack Developer Intern

Royal Technosoft | Jan 2025 – May 2025

Developed full-stack MERN applications by building RESTful APIs, implementing real-time features using Socket.IO, integrating JWT-based authentication, and optimizing performance through debugging and issue resolution.

Frontend Development Intern

QSpiders | Jul 2024 – Aug 2024

Built responsive and interactive web interfaces using HTML, CSS, and JavaScript, while developing dynamic UI components with React.js fundamentals including components, props, and state management.

PROJECTS

UBER Clone

- Built a responsive ride-hailing application for Users and Captains using React.js and Tailwind CSS, with backend services in Node.js and Express.js including RESTful APIs for authentication and ride management.
- Implemented real-time ride updates using Socket.IO, secure JWT-based authentication, and managed data using MongoDB with Mongoose, ensuring complete end-to-end functionality.

Appraisal Tracker

- Built a responsive multi-role application (Admin, Employee, HR) using React.js with reusable components, and developed backend services using Node.js and Express.js with RESTful APIs for employee and appraisal management.
- Implemented role-based access control, managed structured data using MongoDB, and ensured seamless frontend-backend integration with well-tested APIs.

Personal Portfolio

- Designed and developed a responsive personal portfolio using React.js and Tailwind CSS with a clean, modern UI.
- Showcased skills, projects, and achievements with reusable components, smooth navigation, and structured layout.

EDUCATION

Bachelor of Engineering - Information Technology
Shantilal Shah Government Engineering College, Bhavnagar (GTU)
2021 – 2025 | CGPA: 7.98

Madhav Vidhya Sankul, Vastral, Ahmedabad (HSC- PCM)
2021 | 82.15%

Madhav Vidhya Sankul, Vastral, Ahmedabad (SSC)
2019 | 81.33%

SOFT SKILLS

Problem-solving, Presentation skills, Communication, Collaboration, Adaptability, Time Management

LANGUAGES

English, Hindi, Gujarati
